## Nova Medical Centers’ Survey Results Indicate Excellent Patient Satisfaction

**Houston, Texas (March 22, 2016)** – Today, [Nova Medical Centers](http://www.novamedicalcenters.com) announced the results of their 2015 patient satisfaction survey conducted across 47 medical centers in Texas, Georgia, Tennessee and Indiana. The ongoing survey polls patients’ satisfaction in areas of service/treatment received, return to work, wait times, communication, facility cleanliness and clinical staff rating.

“Employers entrust Nova to provide the best medical care for their employees by seeing them quickly, treating them with the utmost respect, and communicating our findings and treatment plans to help them recover and return to full duty as soon as medically appropriate,” says Bruce Meymand, Chief Operating Officer for Nova Medical Centers.

The survey is a major component of Nova’s overall quality control plan and aides the organization in providing service improvements for over 600,000 patient encounters annually.

###

## **About Nova Medical Centers**

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services. Nova connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers has expanded its footprint across Texas, Tennessee, Georgia, and Indiana. Nova expects to treat more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days.

Nova utilizes cutting edge real-time web-based reporting through its proprietary electronic medical system, Occuflex, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova's goal is to be accessible from coast-to-coast by 2023.
