## **Nova Medical Centers Opens Second Location In El Paso, Texas**

**El Paso, Texas – September 11, 2018** - Nova Medical Centers, one of the largest pure occupational health providers in America, announces today the opening of its second facility in El Paso, Texas.

One of the qualities that set Nova Medical Centers apart from their competitors is their sole focus on occupational medicine. With services that include work injury care, pre-employment testing, and Physical Therapy, Nova ensures companies' occupational healthcare needs are met with one stop.

The new El Paso clinic is located on 6351 Desert Blvd. Bldg. C and will be hosting a Grand Opening celebration on Thursday, September 27 from 11 am to 3 pm. The event is open to the public. Free lunch, games, prizes, and a tour of the clinic will take place at the big event. The El Paso Chamber of Commerce will also be there to host a formal ribbon-cutting ceremony.

“The continued demand for occupational health services in Texas has allowed us to open a new facility in El Paso. We’re looking forward to working with the community and assisting with their occupational medicine needs,” said Bruce Meymand, Chief Operating Officer for Nova Medical Centers.

For more details please see the [event page and flyer](#) located on the website. Nova Medical Centers takes pride in providing outstanding occupational healthcare and is prepared for continued growth.

### **About Nova Medical Centers – Home of Occuflex®**

As the largest 100% occupational health provider in the nation, [Nova](#) treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative care services. Nova connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers operates 48 occupational medicine facilities across Texas, Georgia, Tennessee, and Indiana and has more than 700,000 patient visits and treats over 40,000 injured employees each year with an average claim closure rate of 14 days and a 97% same-day return to work rate. Nova Medical Centers provides work injury care services, pre-employment testing, drug screens, physical therapy and online medical reporting.

Nova utilizes real-time web-based reporting through its proprietary electronic medical record system, [Occuflex®](#), which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.
