Nova Medical Centers To Open New Facility in Augusta, Georgia

Augusta, GA – July 9, 2014 – The largest pure occupational medicine company in the nation, Nova Medical Centers, is pleased to announce that it will be opening its fifth Georgia center in Augusta.

This new facility will join four Atlanta-based Nova Medical Centers' locations. The Augusta facility will be located at 3205 Deans Bridge Road, and will be open from 8:30 a.m. to 6 p.m., Monday through Friday.

"With Nova's treatment philosophy of rapid return-to-work and decreased treatment times for work-related injuries, we believe Augusta employers will see substantially larger gains in indemnity cost savings," Bruce Meymand, Chief Operating Officer for Nova Medical Centers, said.

The center is scheduled to open for business in mid-July 2014.
