## **Nova Medical Centers' Announces New Location in Harlingen, Texas**

**Harlingen, TX – May 7, 2014** – Nova Medical Centers, the nation's largest 100 percent pure occupational health services company, announced today that it will be opening its third Lower Rio Grande Valley area location in Harlingen, Texas this month.

This new center will join the Pharr/McAllen center and the Brownsville center in the southernmost tip of Texas. The Harlingen facility will be located at 216 N. Ed Carey Dr., Suite 1, Harlingen, Texas 78550.

It will be open from 8:30 a.m. to 6 p.m., Monday through Friday.

*"Nova is making significant investment in underserved markets like the Rio Grande Valley to better serve our patients, employers and payor communities," Bruce Meymand, Chief Operating Officer of Nova Medical Centers, said. "We find value in providing broad coverage for our stakeholders, and we believe it is one of many factors elevating Nova Medical Centers to best-in-class in occupational medicine."*

The date for the center's opening is tentative, but the Harlingen facility is anticipated to open for business on May 22, 2014.

### **About Nova Medical Centers**

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services such as vaccinations and flu shots. Nova also connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers has expanded its footprint across Texas and Georgia, and has very recently begun operating in Tennessee. Nova treats more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days. Nova utilizes state-of-the-art web-based reporting in real-time with our electronic medical recordkeeping database, Occuflex, to keep clients constantly up-to-date. Nova Medical Centers continues to revolutionize with the purpose of providing the best occupational medical services possible.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova strives to be accessible from coast-to-coast by 2023.
