Nova Medical Centers to Open First Location in Indianapolis, Ind.

Indianapolis, IND – <March 31, 2015> – One of the nation's top occupational medicine providers, Nova Medical Centers, announced today that it will open its first occupational medicine center in Indianapolis, Indiana, in the upcoming months.

This new Indianapolis facility will be joining Nova's 47 other centers across Texas, Georgia and Tennessee and will be the first location in the state for Nova. The Indianapolis center will be located at 500 N Capitol Ave., Indianapolis, Ind. 46404, and will be open from 8:30 a.m. to 6 p.m., Monday through Friday.

"Nova Medical Centers is pleased to announce our continued national expansion with construction breaking ground in Indianapolis, Ind.," said Bruce Meymand, Chief Operating Officer for Nova Medical Centers. "By adhering to our core philosophy of delivering high quality compliant medical services to injured workers, we believe Nova's exceptional outcomes will reduce the cost of doing business for area employers in the 12th largest city in the United States."

Nova Medical Centers' focus is solely in occupational medicine. Services include minor emergencies, injury care, pre-employment services, drug screens, physical therapy, online reporting and an expanded complement of occupational health services.

###

About Nova Medical Centers

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services, such as vaccinations and flu shots across its 47 locations. Nova also connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers has expanded its footprint across Texas, Georgia, and Tennessee. Nova treats more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days. Nova utilizes cutting edge real-time web-based reporting through its proprietary electronic medical system, Occuflex, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare by providing the best occupational medical services possible.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova strives to be accessible from coast-to-coast by 2023. For a full listing of Nova Medical Centers' locations, please visit n-o-v-a.com or follow them on [Facebook](#) and [Twitter](#).
