Nova Medical Centers Announces New Chattanooga Location

Chattanooga, Tn., (January 27, 2014) – Nova Medical Centers, the nation's largest 100 percent pure occupational health services company, will be opening its third location in Tennessee in Chattanooga in late February 2014, weeks after opening two centers in Memphis.

The new locations will showcase best in class occupational medical services, a standard in all Nova Medical Centers. This facility will be located at 5779 Brainerd Road, Chattanooga, TN 37411.

The center will be open from 8:30 a.m. to 6 p.m., Monday through Friday.

"In the first quarter of 2014, Nova Medical Centers will aggressively enter the Tennessee workers' compensation market with four offices in three cities," Bruce Meymand, Chief Operating Officer for Nova Medical Centers, said.

The date for the center's opening is tentative, but the Chattanooga facility is anticipated to open for business on Feb. 26, 2014.

###

About Nova Medical Centers

As the largest pure occupational health provider in the nation, Nova Medical Centers has expanded its footprint across Texas, Georgia, and very recently, Tennessee. Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services such as vaccinations and flu shots. With 45 occupational medicine facilities treating over 40,000 injuries each year, Nova has an average claim closure rate of 14 days. We connect with employers to maximize employees' health and get America back to work better and faster.

Nova utilizes state-of-the-art web-based reporting in real-time with our electronic medical recordkeeping database, Occuflex, to keep clients constantly up-to-date. Nova Medical Centers continues to revolutionize with the purpose of providing the best occupational medical services possible to its patients.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova strives to be accessible from coast-to-coast by 2018. For a full listing of Nova Medical Centers' locations, please visit n-o-v-a.com or follow them on [Facebook](#) and [Twitter](#).
