## **Nova Medical Centers Announces Online Bill Pay Integration**

**Houston, Texas (March 8, 2016)** – Today, [Nova Medical Centers](#), the largest pure occupational health provider in the nation, announces the launch of online bill pay integration for employer use. This technology will provide clients with a value-added capability focused on improving accessibility and convenience.

In continuing Nova Medical Centers' efficiency in occupational health services, system improvements, such as online bill pay, have been paramount. Through integration within Occuflex®, clients will be able to access and pay their invoice for free any time of the day.

*“Direct client services such as pre-employment testing represent a large segment of our operations. Nova has led the industry by providing online results for these services and we are now excited to complete the client experience by providing 24/7 online payment options,”* says Bruce Meymand, Chief Operating Officer for Nova Medical Centers.

The delivery of industry leading technology directly to clients is one of the key factors in Nova Medical Centers' rapid growth as a top tiered outcome based provider.

###

### **About Nova Medical Centers**

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services. Nova connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers has expanded its footprint across Texas, Tennessee, Georgia, and Indiana. Nova expects to treat more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days.

Nova utilizes cutting edge real-time web-based reporting through its proprietary electronic medical system, Occuflex, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova's goal is to be accessible from coast-to-coast by 2023.
