Terri O'Neil Joins Nova Medical Centers as Regional VP of Network and Payor Relations

Houston, Texas (April 5, 2016) – [Nova Medical Centers](#) announced the appointment of Terri O'Neil as Regional Vice President, Network and Payor Relations, effective March 28, 2016. O'Neil will join Nova Medical Centers' corporate team based out of Houston, Texas.

"I am extremely pleased Terri has chosen to join our team," said Mark Neer, SVP, Network and Payor Strategy. "Terri's knowledge and experience in the managed care market will further assist Nova in our continued efforts to foster and strengthen our relationships with network, payor, and managed care partners."

O'Neil brings over 15 years of experience in the medical management industry. Her vast knowledge and experience of the marketplace has resulted in career success working with large managed care, network and insurance companies throughout the country.

Most recently, O'Neil was responsible for selling and implementing a multitude of managed care products offered by WellComp Managed Care Services based out of Brentwood, Tennessee, a division of York Risk Services Group. Mark Neer adds, "Terri's reputation in the industry reflects the level of integrity we strive for at Nova Medical Centers and she will be a key addition to our organization."

About Nova Medical Centers

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services. Nova connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers has expanded its footprint across Texas, Tennessee, Georgia, and Indiana. Nova expects to treat more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days.

Nova utilizes cutting edge real-time web-based reporting through its proprietary electronic medical system, Occuflex, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.

Nova Medical Centers' dedication to its patients and recognized industry success by employers and insurance carriers has ignited the company's expansion. Nova's goal is to be accessible from coast-to-coast by 2023.
