Nova Medical Centers Announces New Employer Dashboard on Occuflex®

Houston, Texas (June 20, 2017) – Today, [Nova Medical Centers](#), the largest pure occupational health provider in America, announces the launch of the new employer clinical dashboard on Occuflex®. The new employer dashboard provides exclusive and innovative capabilities for clients of Nova Medical Centers. Some of these new features include a customer's single consolidated view of all their employees treated by Nova, real-time color-coded treatment updates for simplicity, a new informative graphic interface, and electronic linking between all necessary departments.

Nova Medical Centers continues to make improvements and efficiencies for the benefit of their client to deliver transparency to all stakeholders. This includes innovative advancements to Occuflex®, their online EMR and web-based reporting system.

“In workers compensation, it has always been our goal to streamline the medical reporting process while producing great patient outcomes. Our commitment to technology is to provide real-time complex injury management in a simplified online application to reduce cost. We are excited about this launch and welcome online feedback from our clients to improve the customer experience.” – Bruce Meymand, Chief Operating Officer for Nova Medical Centers

About Nova Medical Centers – Home of Occuflex®

As the largest pure occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative services. Nova connects with employers to maximize employees' health and get America back to work better and faster, demonstrating accountability for great outcomes.

Nova Medical Centers has expanded its footprint across Texas, Tennessee, Georgia, and Indiana. Nova treats more than 40,000 work-related injuries annually across its locations with an average claim closure rate of 14 days and a 98% same-day return to work rate.

Nova utilizes cutting edge real-time web-based reporting through its proprietary electronic medical system, Occuflex®, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize

occupational healthcare and strives to provide the best occupational medical services possible.
