Nova Medical Centers Welcomes New Senior Vice President of Inside Sales

HOUSTON, TX (January 22, 2019) – Nova Medical Centers, the nation’s leading pure occupational medicine provider, announced today that Mark Thomet has been named as its Senior Vice President of Inside Sales.

Mark Thomet’s core responsibilities include the development, training, and leadership of the inside sales team whose goals are to strengthen customer relations, improve communications, and increase customer satisfaction.

“We are continually looking to improve our service and the customer experience,” said Bruce Meymand, Nova Medical Centers Chief Operating Officer. “Mark’s addition only strengthens this vision and improves customer retention.”

Mr. Thomet served as National Vice President of Client Retention, Divisional Vice President of Sales, Regional Vice President of Sales and Regional Sales Director at U.S. Healthworks where he was responsible for the retention and growth across 250 facilities in 22 states; implementing strategic growth initiatives and leading cultural changes across all corporate disciplines.

“I am excited to join a progressive and innovative company like Nova Medical Centers” Thomet said. “I look forward to contributing to the growth of the company by proactively focusing on exceptional customer care.

About Nova Medical Centers – Home of Occuflex®:

As the largest 100% occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative care services. Nova connects with employers to maximize employees’ health and get America back to work better and faster.

Nova Medical Centers operates 49 occupational medicine facilities across Texas, Georgia, Tennessee, and Indiana and has more than 700,000 patient visits and treats over 40,000 injured employees each year locations with an average claim closure rate of 14 days and a 97% same-day return to work rate. Nova Medical Centers provides work injury care services, pre-employment testing, drug screens, physical therapy and online medical reporting.

Nova utilizes real-time web-based reporting through its proprietary electronic medical record system, Occuflex®, which allows Nova’s clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.
