Nova Medical Centers – Humble, Texas to Relocate to a Brand-New Facility

Humble, Texas (March 19, 2019) - Nova Medical Centers, one of the nation's top occupational medicine providers, is pleased to announce its Humble location is relocating to a brand new, state-of-the-art facility.

Solely focused on occupational medicine, Nova is 100% dedicated to the needs of the nation's employers. Services include injury care, pre-employment testing, drug screens, physical therapy, and so much more! Nova is the one-stop occupational healthcare center.

"While growth in adding facilities is very high on our corporate initiatives," said Bruce Meymand, Chief Operating Officer for Nova Medical Centers, "Relocation and updating existing facilities to serve our customers and stakeholders more efficiently is also a key component of our corporate deliverables."

The new center is located at 8717 Humble Westfield Road, Building H, Humble, TX 77338. The Humble location is one of 11 locations in the Greater Houston Metro Area serving Texas Gulf Coast employers, employees and additional stakeholders.

Nova Medical Centers takes pride in providing outstanding occupational healthcare and is prepared for continued growth. For information about Nova and the new Humble Location, please visit n-o-v-a.com.

About Nova Medical Centers – Home of Occuflex®:

As the largest 100% occupational health provider in the nation, Nova treats on-the-job injuries, conducts pre-employment services and screens, and offers preventative care services. Nova connects with employers to maximize employees' health and get America back to work better and faster.

Nova Medical Centers operates 49 occupational medicine facilities across Texas, Georgia, Tennessee, and Indiana and has more than 700,000 patient visits and treats over 40,000 injured employees each year. Locations have an average claim closure rate of 18 days and a 97% same-day return to work rate. Nova Medical Centers provides work injury care services, pre-employment testing, drug screens, physical therapy, and online medical reporting.

Nova utilizes real-time web-based reporting through its proprietary electronic medical record system, Occuflex®, which allows Nova's clients to remain constantly up-to-date with claim status. Nova Medical Centers continues to revolutionize occupational healthcare and strives to provide the best occupational medical services possible.
